The main aim of this OET Preparation Course is to offer study support and guidance to OET students in preparation for the Test day:

During class time students will:

- Practise OET reading tasks using the right strategies.
- Practise right techniques to deal with a range of tasks used in the actual OET Test.
- Practise speaking roleplays and improve on them using feedback given by the teachers.
- Improve on writing tasks using feedback given to them by experienced teachers on various aspects of writing such as appropriate language, accuracy, and organising and scaffolding ideas.
- Practise note making and note-taking skills, summarising skills and skimming and scanning techniques.

By the end of the OET Preparation Course students will feel more confident about:

- Following and understanding a range of health-related spoken materials such as patient consultations and lectures.
- Reading and understanding different types of texts on health-related subjects.
- Communicating effectively in real work-life contexts through the use of role-plays.
- Writing a letter in a clear and accurate way relevant for the reader.
- Using appropriate strategies to deal with a range of open-ended and fixed choice tasks such as multiple choice, sentence completions, short answer questions, summary completion, lecture notes completion and matching responses.
